**CAR MAKE/MODEL**      **1966 Sunbeam Tiger Mark IA**

Factory original 8 Cylinder, 260 cu in Ford engine and manual transmission, 200HP  
2 door, convertible soft top

**SUMMARY**

This Carroll Shelby and George Boskoff signed Tiger is in good driving and cosmetic condition. It retains the original engine and transmission, and has not had major mechanical or body modifications other than paint.

“Los Angeles Tiger” LAT 9 wheels and LAT 58 Silver Stripe Tiger Tail are distinguishing features.

**PRICE**

\$70,000.00 USD

**LOCATION**

Vancouver, British Columbia, Canada

**MILEAGE**

80,250 miles

**COLOUR**

Orange (Candy Paint) with black interior and 4-point seatbelts

**VIN**

B382001859LRXFE (Registered)

Tiger Authenticity Certificate and appraisal available for inspection.

The car has undergone mechanical and interior restoration 2002-2007, but there have been no major mechanical or body alterations. It retains the original Ford 260 motor and transmission, LAT 9 wheels, LAT 58 Tiger Tail, LAT 16 window decal (passenger side). The original maple steering wheel and burl panel are in very good condition. Panel elements are working, including the cigarette lighter.

**KNOWN HISTORY**

By description from the two previous owners, it has won 2<sup>nd</sup> and 3<sup>rd</sup> places at two US Sunbeam shows.

**1983 – Sept 29, 2001** Source: 2001 Sales advertisement. Owner in Pennsylvania performed Cosmetic restoration including interior elements, fresh paint, new rockers, and plating behind rear wheels. Placed 2<sup>nd</sup> out of 17 Sunbeams at a local British car show.

Odometer reading at time of sale: 65,350 miles

**Sept 29, 2001 – Sept 13, 2007** New Owner, also in Pennsylvania – Restoration of many mechanical parts, Interior, and Soft-top. Placed 3<sup>rd</sup> in a US car show, where Carroll Shelby & George Boskoff signed the vehicle (photos below).

Odometer reading at time of sale: 69,029 miles

**Sept 2007 – present** New Owner in Prince George, British Columbia, Canada - Repainted and installed 4-point seatbelts. Incidental mechanical repair and maintenance. Indoor storage for 7 months of each year (Canadian winter). As of spring 2019 stored indoors in Vancouver, BC area.

Odometer reading currently: 80,250 miles
